To Whom It May Concern:

I write in response to Mr. Glen Morgan's seventh complaint concerning my 2017 campaign for State Senate in the 45th Legislative District, and I appreciate the opportunity to respond.

When it was brought to our attention that San Dimas Animal Hospital was not a sole proprietorship of Mr. Manohar Singh, we refunded the contribution immediately.

We have received thousands of contributions during this campaign and check into any that seem like we would have to return them, but this one did not appear suspicious to us. It is not uncommon for medical practices to be formed as sole proprietorships. No concealment was intended, and I do not appreciate Mr. Morgan's continual suggestion that my campaign is behaving in a "malicious" fashion when we have been nothing but accommodating to his constant, targeted complaints and inquiries.

Thank you once again for the opportunity to address this complaint. I have conducted my campaign business with complete transparency and integrity. I am happy to provide any additional information you may need and answer any further questions.

Sincerely,

Manka Dhingra
